

Département des arthropodes et d'entomologie I

John A. HOLLIER

(Adjoint scientifique – Assistant scientist)

Liste des publications - Publication list

63. Hollier, J. (2010). An annotated list of primary types of Orthoptera (Insecta) described by Boris Uvarov and deposited in the collections of the Muséum d'histoire naturelle in Geneva. *Revue suisse de Zoologie* **117**: 807-810.
62. Hollier, J. (2010). An annotated list of type material of Orthoptera (Insecta) described by Achille Griffini and deposited in the collections of the Muséum d'histoire naturelle in Geneva. *Revue suisse de Zoologie* **117**: 801-805.
61. Hollier, J. (2010). An annotated catalogue of the primary type specimens of the Orthoptera (Insecta) species described by Johann Carl and Adolf Fritze. *Revue suisse de Zoologie* **117**: 23-44.
60. Hollier, J. (2010). An annotated list of type specimens of Orthoptera (Insecta) described by Ferdinand Karsch and deposited in the collections of the Muséum d'histoire naturelle de la Ville de Genève. *Revue suisse de Zoologie* **117**: 17-22.
59. Hollier, J. A. & McArthur, P. (2009). The phytophagous beetles associated with a series of calcareous grasslands of different ages in Buckinghamshire. *British Journal of Entomology and Natural History* **22**: 267-269.
58. Alma, A., Chen, P.-P., D'Urso, V., Guglielmino, A., Hollier, J., Kunz, G., Lauterer, P., Malenovský, I., Mazzoglio, P.J., Nickel, H., Aldini, R.N., Rinttala, T., Seljak, G., Seyring, M., Söderman, G., Wilson, M. & Witsack, W. (2009). Auchenorrhyncha collected in the Canavese district (Northwest Italy) (Hemiptera, Auchenorrhyncha). *Cicadina* **10**: 119-125.
57. Hollier, J.A., McArthur, P., Whitehouse, D. & Mortimer, S.R. (2009). The ground beetle (Coleoptera: Carabidae) assemblages of chalk grasslands of known age in the Chilterns. *British Journal of Entomology and Natural History* **22**: 73-80.
56. Mühlethaler, R., Hollier, J., Nickel, H., Gnezdilov, V., Wilson, M., Kunz, G. & Günthart, H. (2009). Neue und bislang selten gesammelte Zikaden aus der Schweiz (Hemiptera, Auchenorrhyncha). *Entomo Helvetica* **2**: 39-48.
55. Hollier, J. A. (2008). Localisation des types de *Platycleis saussuriana* Frey-Gessner, 1872 et de *Barbitistes ruficosta* Frey-Gessner, 1872 (Orthoptera: Tettigoniidae). *Bulletin Romand d'Entomologie* **24**: 87-89.
54. Hollier, J. A. (2008). The barklice (Psocoptera) associated with an old-field succession in southern Britain. *British Journal of Entomology and Natural History* **21**: 143-147.
53. Hollier, J. A. (2008). An annotated list of Malcolm Burr's Blattodea, Dermaptera and Orthoptera (Insecta) types in the collections of the Museeum d'histoire naturelle in Geneva. *Entomologist's monthly Magazine* **144**: 157-162.
52. Hollier, J. A. (2008). Mountain *Verdanus* Oman in the Canton of Vaud and surrounding areas. *Deutsche Gesellschaft für allgemeine und angewandte Entomologie-Nachrichten* **22**: 53-54.
51. Hollier, J. A. (2008). Further information concerning the Orthoptera type material of Alexandre Yersin in Geneva. *Entomologist's monthly Magazine* **144**: 110.

50. Hollier, J. A. (2008). Body size and habitat stability – a comparison of lacewing (Neuroptera: Chrysopidae and Hemerobiidae) assemblages from different successional habitats. *British Journal of Entomology and Natural History* **21**: 31-35.
49. Hollier, J.A. & Haysom, K. (2007) Predicting the occurrence of Hemiptera – reasons for optimism. *Deutsche Gesellschaft für allgemeine und angewandte Entomologie-Nachrichten* **21**: 91.
48. Hollier, J. A. (2007). Continuité entre le Musée Académique et le Muséum actuel – l'exemple des "Névroptères du musée" de F.-J. Pictet. *Bulletin Romand d'Entomologie* **24**: 51-54.
47. Hollier, J. A. (2007). An annotated list of the species described by Alexandre Yersin (1825-1862) and of the Yersin type material housed in the Muséum d'histoire naturelle in Geneva. *Mitteilungen der Schweizerischen Entomologischen Gesellschaft* **80**: 71-77.
46. Hollier, J. A. (2007). Stratification and phenology of a woodland Heteroptera assemblage in southern Britain. *British Journal of Entomology and Natural History* **20**: 49-55.
45. Hollier, J. A. (2006). Les collections du Muséum d'histoire naturelle de Genève et l'autre Monsieur A. Forel. *Bulletin Romand d'Entomologie* **23**: 61-83.
44. Hollier, J. A. (2006). Hemiptera syntypes from the collection of John Sahlberg present in the Natural History Museum of Geneva. *Entomologist's monthly Magazine* **142**: 126.
43. Hollier, J. A. (2006). Host plant use by *Ischnodemus sabuleti* (Fallén, 1826) (Heteroptera: Lygaeidae) in a dry grassland in southern Britain. *Entomologist's monthly Magazine* **142**: 80.
42. Hollier, J. A., Maczey, N., Masters, G. J. & Mortimer, S. R. (2005). Grassland leafhoppers (Hemiptera: Auchenorrhyncha) as indicators of habitat condition- a comparison of between-site and between-year differences in assemblage composition. *Journal of Insect Conservation* **9**: 299-307.
41. Maczey, N., Masters, G.J., Hollier, J. A., Mortimer, S. R. & Brown, V. K. (2005). Community associations of chalk grassland leafhoppers (Hemiptera: Auchenorrhyncha): conclusions for habitat conservation. *Journal of Insect Conservation* **9**: 281-297.
40. Hollier, J. A. (2005). Location of the type of *Pronototropis longirostris* Wagner, 1973 (Heteroptera: Miridae). *Entomologist's monthly Magazine* **141**: 182.
39. Hollier, J. A. (2005). *Homoscelis rificollis* Horvath, 1884 (Heteroptera: Lygaeidae) in Lebanon. *Entomologist's monthly Magazine* **141**: 160.
38. Hollier, J. A. (2005). *Dicyphus escalerae* Lindberg, 1934 (Heteroptera: Miridae) en Suisse et au Portugal. *Bulletin Romand d'Entomologie* **22**: 79-80.
37. Hollier, J. A. (2005). Notes sur quelques Hemiptera suisses du Muséum d'histoire naturelle de Genève. *Bulletin Romand d'Entomologie* **22**: 53-56.
36. Hollier, J. A. & Matocq, A. (2004). *Dicyphus escalerae* Lindberg, 1934 (Hemiptera: Miridae), a plant-bug species new for Switzerland. *Mitteilungen der Schweizerischen Entomologischen Gesellschaft* **77**: 333-335.
35. Hollier, J. A. (2004). A woodland Auchenorrhyncha assemblage in southern England: stratification, phenology and diversity. (In) Holzinger, W. & Zettel, H. Bericht über die „11. Mitteleuropäische Zikaden-Tagung" im Naturhistorischen Museum in Wien, 27.-29. August 2004. *Beiträge zur Entomofaunistik* **5**: 141-153.
34. Hollier, J. A. (2004). *Kleidocerys ericae* (Horvath) (Hem.: Lygaeidae) in North Africa. *Entomologist's monthly Magazine* **140**: 246.
33. Hollier, J. A. (2004). Observations sur les Hemiptera des prairies montagnardes du Jura vaudois. *Bulletin Romand d'Entomologie* **22**: 3-14.
32. Hollier, J. A. (2004). Une lacune à remplir dans la distribution de *Ceraleptus lividus* Stein (Heteroptera: Coreidae). *Bulletin Romand d'Entomologie* **22**: 1-2.
31. Hollier, J. A. (2003). Une liste initiale des Hémiptères des prairies subalpines de la Reserve Naturelle de la Haute Chaîne du Jura. *Bulletin Romand d'Entomologie* **21**: 57-70.
30. Hollier, J. A. (2003). Historical records of seed bugs (Heteroptera: Lygaeidae) new to the Swiss fauna. *Mitteilungen der Schweizerischen Entomologischen Gesellschaft* **76**: 153-154.
29. Hollier, J. A. (2003). Deux espèces d'Hémiptères naturalisées à Meyrin (canton de Genève). *Bulletin Romand d'Entomologie* **21**: 29-31.

28. Hollier, J. A. & Briggs, J. D. (1999). The specialist Hemiptera associated with mistletoe. *British Journal of Entomology and Natural History* **12**: 237-239.
27. Mortimer, S. R., Hollier, J. A. & Brown, V. K. (1998). Interactions between plant and insect diversity in the restoration of lowland calcareous grasslands in southern Britain. *Applied Vegetation Science* **1**: 110-114.
26. Masters, G. J., Brown, V. K., Clarke, I., Whittaker, J. & Hollier, J. A. (1998). Direct and indirect effects of climate change on insect herbivores: Auchenorrhyncha (Homoptera). *Ecological Entomology* **23**: 45-52.
25. Hollier, J. A., Smith, P. H. D. & Mortimer, S. R. (1997). Habitat use and wing form in *Psectra diptera* (Neuroptera: Hemerobiidae). *Entomologist* **116**: 28-30.
24. Churchfield, S. J., Hollier, J. A. & Brown, V. K. (1997). Community structure and habitat use of small mammals in grasslands of different successional age. *Journal of Zoology London*. **242**: 519-530.
23. Hollier, J. A. (1996). Lacewings in grassland D-vac samples. *Neuronews* **18**: 3-5.
22. Hollier, J. A. (1996). Hemiptera, Psocoptera and Neuroptera in Giddens, Robbins & Allen (eds.) *The Flora and Fauna of Exmoor National Park*. Exmoor Press, Dulverton.
21. Churchfield, S. J., Hollier, J. A. & Brown, V. K. (1995). Population dynamics and survivorship patterns in the common shrew (*Sorex araneus*) in southern England. *Acta Theriologica* **40**: 53-68
20. Hollier, J. A., Brown, V. K. & Edwards-Jones, G. (1994). Successional leafhopper assemblages: Pattern and process. *Ecological Research* **9**: 185-191.
19. Hollier, J. A. & Belshaw, R. (1993). Phenology and stratification of a woodland Neuroptera assemblage. *Entomologist*. **112**:169-175.
18. Hollier, J. A. & Belshaw, R. (1992). Changes in Neuroptera assemblages in an old field succession in Southern Britain. *Entomologist*. **111**: 158-165.
17. Churchfield, S. J., Hollier, J. A. & Brown, V. K. (1991). The effects of small mammal predators on grassland invertebrates, investigated by field enclosure experiment. *Oikos* **60**: 283-290.
16. Hollier, J. A. (1989). Grassland Hemiptera from Exmoor. *Somerset Archaeology & Natural History* **132**: 335-340.
15. Hollier, J. A. (1989). Birch Galls Revisited. *Cecidology* **4**: 15-18.
14. Hollier, J. A. (1989). A Welsh record of *Synergus clandestinus* Eady (Hym:Cynipidae). *Entomologist's Gazette*. **40**: 124.
13. Hollier, J. A. (1989). Sherlock Holmes, Entomologist. *Bulletin of the Amateur Entomological Society* **48**: 107-9.
12. Hollier, J. A. (1988). A record of *Xylophagus ater* Meigen (Diptera: Xylophagidae) from Shropshire. *Entomologist's Gazette* **39**: 326.
11. Hollier, J. A. (1988). Hemiptera, Psocoptera, Neuroptera and Diptera in Giddens, Bristow & Allen (eds.) *The Flora and Fauna of Exmoor National Park*. pp272. ENHS, Minehead.
10. Hollier, J. A. (1988). *Hemerobius marginatus* Stephens (Neuroptera) in S. Somerset. *Entomologist's Gazette* **39**: 48.
9. Hollier, J. A. (1988). A note on the design of Nature Reserves for Insects. *Bulletin of the Amateur Entomological Society* **47**: 68-70.
8. Hollier, J. A. (1987). *Bibio pomonae* (Fabricius) (Diptera: Bibionidae) in Somerset. *Entomologist's Gazette* **38**: 82.
7. Hollier, J. A. (1987). Grassland Hemiptera from Mitcham Common, Surrey. *Entomologist's monthly Magazine* **123**: 77-81.
6. Hollier, J. A., Wistow, R. & Walmsley, A. (1987). The insects of the Montgomery Canal. *Bulletin of the Amateur Entomological Society* **46**: 151-3.
5. Hollier, J. A. (1986). *Epyris niger* Westwood (Hymenoptera: Bethyridae) in Somerset. *Entomologist's Gazette* **37**: 60.
4. Hollier, J. A. (1986). Chrysomelids as gall users. *Cecidology* **1**: 26.

3. Hollier, J. A. (1986). Hymenoptera Aculeata from the Montgomery Canal including a species new to Wales. *Entomologist's Gazette* **37**: 196-7.
2. Hollier, J. A. (1985). Some Lygaeidae (Hem:Het) from Mitcham Common, Surrey. *Entomologist's monthly Magazine* **121**: 110.
1. Morris, R. K. A. & Hollier, J. A. (1984). *Drepanepteryx phalanoides* L. (Neuroptera) in Surrey in 1983. *Entomologist's Record & Journal of Variation* **96**: 55.
