QUALIFICATIONS

- 1995-2001: PhD - Evolution, Ecology & Systematics, University of Missouri-St. Louis and Missouri Botanical Garden (MO), St. Louis (USA).
Thesis: Price, M. J. 2002. A Systematic Revision of the Moss Genus *Holomitrium* Brid. (Dicranaceae): An Integrated Study of Taxonomy, Biogeography and Phylogeny. xii + 26 + 48 + 25 + 51 + 129 + 10 + 5 pp. [Seven chapters, each separately paginated, Ph.D. thesis, University of Missouri-St. Louis.].
- 1994-1995: MSc - Ecology, University of Wales, College of Bangor (UK).
- 1991-1993: BSc - Ecology and Environmental Management, University of Wales, College of Cardiff (UK).

PROFESSIONAL ENGAGEMENTS

- Oct. 2001-present: **Curator** responsible for bryophytes, ferns and gymnosperms, Conservatoire et Jardin botaniques de la Ville de Genève, Genève, Suisse. *Roles*: collection management, conducting research and teaching in bryology: Head of Science since 1 November 2015.
- Sep. 1995-2001: research assistant, Missouri Botanical Garden, St. Louis, Etats-Unis.
- Aug-Dec. 2000: teaching assistant, University of Missouri, St. Louis, Etats-Unis.

FUNDING / GRANTS

- Initiative Aalborg – Bryophytes dans le ville de Genève (2009-2014) 60 000 CHF p. a.
- Andrew. W. Mellon Foundation, Etats-Unis (2007-2015) 88 000-120 000 CHF p. a.
- Domaine nature et paysage, Genève (2005-2008): inventaire du canton 216 000 CHF p. a.
- GBIF.ch, Neuchâtel (2006) 77 500 CHF
- Association des Amis du Jardin botaniques, Genève (2004) 2000 CHF
- Bureau de travaux et d'Etudes en environnement et Commune de Vernier (2002) 5000 CHF

PROFESSIONAL AFFILIATIONS

Board of Directors:

Consortium of European Taxonomic Facilities(CETAF), as representative of the Geneva CETAF Consortium since 2006.

Global Biodiversity Information Facility (GBIF.org): GBIF Governing Board - Associate Participant, Head of Delegation for CETAF, 2013-2016.

Conservatoire et Jardin botaniques de la Ville de Genève, since 1st November 2015

Scientific Councils

Conservatoire et Jardin botaniques de la Ville de Genève, Suisse, 2009-2011, 2013-2015, since 1 November 2015 as the Chair.

e-ReColNat, Muséum National d'Histoire naturelle, Paris, France since December 2014.

Michelle J. Price, Head of Science & Curator, *Conservatory and Botanical Garden of the City of Geneva*

Botanical Garden Meise, Belgique, since December 2014.

Muséum National d'histoire naturelle, Paris, since April 2014.

Committees and working groups:

Executive Committee of CETAF, ordinary member, 2010-2013.

Chair of CETAF and of the CETAF Executive Committee from, 2013-2016 and, 2016-2019.

Bryophyte Nomenclature Committee: International Association for Plant Taxonomy (IAPT) since 2011.

Nomenclature Committee: International Association for Plant Taxonomy (IAPT) since November 2011.

Associated researcher: Missouri Botanical Garden (MO), St. Louis, Missouri (USA) since 9 November 2006.

Professional memberships: British Bryological Society (BBS) - 1994; American Bryological and Lichenological Society (ABLS) -1996; American Society of Plant Systematists (ASPT) - 1997; International Association of Bryologists (IAB) - 2000; International Association for Plant Taxonomy (IAPT) - 2000.

STUDENT SUPERVISION

PhD (2)

Anne Streiff (2001-2005). Phylogenetic study of the genus *Grimmia* Hedw. (Grimmiales, Bryopsida) based on a combination of morphological and molecular characters. University of Lausanne. Responsables: N. Galland, M.J. Price.

Ariane Cailliau (2008-2012). A systematic treatment of *Leiocolea* (Müll. Frib.) H. Buch and its putative allies in the Mesoptychiaceae (Marchantiophyta). University of Geneva. Responsables: D.J. Jeanmonod, M.J. Price.

MSc or equivalent (7)

Matthieu *Chabanon*. Application d'un SIG pour la comparaison de la répartition de cinq espèces de mousses aquatiques et sub-aquatiques sur trois rivières du canton genevois. Université Blaise Pascal, Clermont-Ferrand, France (2004-2005).

Karen *Martinez*. A study of rare bryophytes in Switzerland, with an emphasis on *Tayloria rudolphiana* : *in vitro* culture and species biology. Université de Genève, Suisse (2007-2008).

Gabriela *Loza Steinbach*. A systematic revision of the moss genus *Symblypharis* (Rhabdoweisiaceae). Université de Genève, Suisse (2009-2012).

Amanda *Guerreiro*. Persistomes in the Dicranaceae: taxonomic and phylogenetic insights. Université de Genève, Suisse (2012-2015).

Stephanie *Chouleur*. La mousse *Dicranum viride* (Sull. & Lesq.) Lindb. (Dicranaceae) dans le canton de Genève : répartition, abondance et statut de conservation. Thèse de Bachelor Hepia. Février – août 2016.

Anne *Morel*. Biogeography of bryophytes in the humid forests in the Cerrado of Brazil. Université de Genève, Suisse. October 2016-to date.

Anne *Kissling*. Les lichens et les bryophytes des Baillet (Val de l'Allondon): Etude floristique et écologique. October 2016-to date.

COLLABORATEURS AND SCIENTIFIC TRAINEES

Anne Streiff - collaboratrice scientifique des CJB (2002-2006); Eva Maier – collaboratrice scientifique des CJB (2002-current); Tal Shani – formation en bryologie (2003-2004); Florian Mombrial -

formation, identification des bryophytes (2003-2004 / 2006); Allison Kerwin - Junior Year Abroad exchange, Smith College, Etats-Unis, internship (2004), Sarah Buck - Junior Year Abroad exchange, Smith College, Etats-Unis, internship (2004-2005); Daria Gavriouchkina – formation, identification des bryophytes (2004 / 2005); Ariane Cailliau - collaboratrice scientifique – inventaire de Genève (2004-2008), projet Mellon (2016) ; Laurent Burgisser - collaborator scientifique – inventaire de Genève (2004-2008); Annick Lang – collaboratrice scientifique – projet Mellon (2007-2009); Gabriela Loza Steinbach – consultation de l’herbier (2009-2010); Régis Vivien – formation, bryophytes aquatique (2009-2010); Hélène Hinden - collaboratrice scientifique – projet Mellon (2009-2011), projet Flore en Ville (2012-2015); Karen Martinez – collaboratrice scientifique – projet Mellon (2010-2012); Jérémie Hugenin – collaborateur scientifique – projet Mellon (2012-2014); Julie Steffen – collaboratrice scientifique – projet Mellon (2012-2014); Camille Agier – collaboratrice scientifique – projet Mellon (2013-2016); Amanda Guerreiro – collaboratrice scientifique – projet Mellon (2016).

EVALUATIONS AND REVIEWING

User Selection Panel for the projet SYNTHESESYS, – Naturhistorische Museum, Vienna, Austria (2013, 2014, 2015).

Advisory Panel: *German Federation for Biological Data* (GFBio), funded by the German Research Foundation (DFG), since September 2015.

Proposal Reviews: National Science Foundation, USA; Fonds national Suisse de recherche scientifique, Berne, Suisse.

Reviews for international journals: *Bryologist*; *Candollea*; *Cryptogamie*, *Bryologie*; *Feddes Repetorium*; *Journal of Bryology*; *Plant Systematics and Evolution*, *Systematic Botany*.

Editorial committees: *Candollea* (2004); *Boissiera* (2004); *Flora of Paraguay* (2007); *Stuttgarter Beiträge zur Naturkunde A, Biologie* (2007).

UNIVERSITY COURSES AND TEACHING

Sep.-Oct. 2000

Assistante en enseignement - Introduction to Biology, University of Missouri-St Louis (Etats-Unis) – BSc. (reçu le prix pour l’enseignement 2000).

Mar - 2002-2016

Sections *Bryophytes* et *Fougères* of the course Systématique végétal (12B008)- Université de Genève – BSc. (6 hours)

Feb – mar 2011-2016

Course Scientific Writing and Communication (14B012) - Université de Genève - MSc.

Spring 2003, 2008-2009, 2015, 2016

Systématiques, phylogénie et écologie des lichens et bryophytes (14B070) - Université de Geneva – BSc./MSc.

Autumn 2010-2016

Section Nomenclature in the course Advanced Studeis in Systematics (14B013) – MSc.

Nomination: chargée de cours à temps partiel (part time lecturer) – University of Geneva from the 1 February 2014 - 31 July 2017.

SCIENTIFIC PUBLICATIONS (research)

1. **Price, MJ.** 2001. Revision of the genus *Rhynchostegiopsis*. *Ann. Missouri Bot. Gard.* 88: 694–712

2. **Price, MJ.** 2002a. *Holomitrium azuayensis* (Musci: Dicranaceae), A New Species of *Holomitrium* from South America, and a Key to *Holomitrium* in the Northern and Central Andean region of South America. *Novon* 12: 242–244.
3. **Price, MJ.** 2002b. Designation of a lectotype for the moss *Weissia calycina* Hedw. (*Holomitrium calycinum* (Hedw.) Mitt.). *Candollea* 57: 45–53.
4. **Price, MJ.** 2002c. Revision of the moss genus *Macrodictyum* (Broth.) E.H.Hegew. *J. Bryol.* 24: 133–142.
